the perfect finishing touch to any bathroom

Guaranteed Quality ● Automatic Turn Off ● Selectable Temperatures

Programmable Towel Warmers

Livella's beautifully handcrafted stainless steel towel warmers are the perfect finishing touch to any new bathroom or renovation project. The exquisitely curved bars warm quickly to gently heat towels, keeping them warm, dry and healthy. Plus, with a world-first integrated controller, they're also the safest and most affordable to install and enjoy.

Livella towel warmers are completely programmable. Use the integrated controller to set comfortable temperatures, select between economy modes and even program to turn off after towels are dry. The energy savings are astonishing and will pay for the towel warmer over time.

- ✓ Environmentally-Responsible Choice
- ✓ Lower Temperatures for Sensitive Fabrics
- ✓ Safe Choice for Children's Bathrooms
- ✓ Perfect for Retirement Homes
- ✓ Includes Concealed Wiring Kit

Perfect for the Laundry

Livella towel warmers are equally suited in laundries as a fabric-friendly alternative to tumble driers and slow-drying clothes airers.

Suitable for Bathrooms, Laundries and all Wet Areas
